ST JOHN'S
MEDICAL
CENTRE

Online Services

During your next visit to the GP surgery, speak to reception about accessing your GP health record on the NHS App.

You will be able to order repeat prescriptions, view consultation notes, letters, and test results at the touch of a button.

<https://nhs.uk/helpmeapp>

Update your contact details

Please remember to update us if your contact details change.

It is also important to change your contact details on Ask My GP. You can do this by logging into your account and selecting the edit my details option.

Seasonal flu vaccination

This year's flu vaccine gives you the best possible protection against the flu viruses likely to be circulating this season. The vaccine protects people around you who are more at risk of serious flu illness, like babies and young children, older people and people with health conditions.

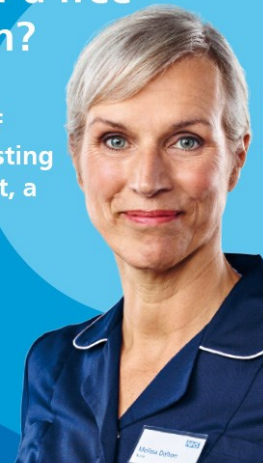

If you haven't booked your appointment, please contact reception on 01476 348484.

Are you eligible for a free NHS flu vaccination?

Flu can be more dangerous if you are over 65, have an existing health problem, are pregnant, a carer, or children under 4.

Don't put it off. Get your flu vaccination straight away. Ask at your GP Practice.

**STAY WELL
THIS WINTER**

Your surgery needs you!

Have you ever thought about joining our **Patient Participation Group?**

Patient Participation group (PPG)

Please ask a member of our Reception team for a patient participation group welcome pack.

Alternatively please email rebecca.davison8@nhs.net
